BASTOGNE AND LIÈGE

D BASTOGNE

Bastogne, the home of sport!

Bastogne, a town steeped in history, is also renowned for its vibrant business scene, with 300 shops open on Sundays. Its tourist attractions, unspoiled environment and delicious local cuisine make it a great destination in all seasons. Known around the world thanks to the Old Lady of cycling, Bastogne also hosts plenty of other competitions every year, is home to several highly active cycling clubs and boasts a wide RAVeL network of green lanes and cycle routes. The imminent opening of a reference centre for cycling in the broadest sense is set to consolidate Bastogne's position as a land of cycling. Thousands of spectators flock to watch the men and women's editions of the Old Lady every year and see the cream of international cycling blast past.

There is no doubt that the 2021 edition will again be a well-deserved success and bring a windfall for local shops and tourism.

The inaugural edition of the women's Liège-Bastogne-Liège rolls out of Bastogne in April 2017

🛞 LIÈGE

Come and sate your curiosity in Liège, located near you at the heart of a close-meshed transportation network, starting with its high-speed train station, one of the most beautiful in Europe. History, heritage and culture come together in its authentic and elegant downtown streets.

The Tourist Office's repertoire of trails and paper chases, including a wildly successful street art circuit, is a treasure trove for anyone who enjoys a good stroll. If you brave the Montagne de Bueren's 374-step staircase, you will be rewarded at the top with a breathtaking view of the city.

The Ardent City also boasts a wide range of museums, including the Grand Curtius, the Aquarium and La Boverie, nestled in a verdant patch. Remember to plan ahead, as some museum visits have to be booked in advance due to the COVID-19 epidemic.

On Sunday morning, come and wander around La Batte, the oldest market in Belgium, whose street vendors await you with all the necessary health measures in place.

And, whatever you do, do not leave without munching on a Liège waffle or any other of our specialities that you can eat on the go.

LOTTO OFFICIAL PARTNER

Team Lotto has been a part of the peloton for 37 years and the National Lottery does not intend to stop there!

Fair play, equal opportunities, accessibility and sympathy... are values that can be found in cycling and among fans of this special sport. With Lotto, the Belgian National Lottery expressly aims to take up a position at the front of the pack as the primary sponsor of the cycling project. That's why the Captains of Cycling project was created.

The Captains of Cycling welcome players, supporters, fans and ambassadors who share the values of cycling and also want to savour the sporting victories of a sympathetic team. Since the Belgian National Lottery unambiguously chooses to remain the primary sponsor of the

cycling project with Lotto, the Captains of Cycling can be the full-fl edged pacesetters of the race. Become Captains of Cycling today by registering on the captainsofcycling.be website. captainsofcycling.be
